

Ma'at American Aborigine Tribal Nation

7 Affirmations Suggested

1. Lightning will strike all the 5G towers and they will crumble to the ground.
2. All planes, blimps, or aircraft carrying chemtrails or any other poisonous substances will inexplicably fall out of the air, and the flyer/pilot will parachute safely to the ground.
3. The "plandemic" disaster will disappear, along with its masks, testing, vaccines, and deceptions.
4. All of the "elite psychopaths" will turn on each other and destroy each other.
5. The true matriarch will rise up, protected by the patriarch, and heal the people and heal the planet, teaching the world how to love without fear.
6. The true indigenous noble, kind, and loving people to the Americas will inherit the earth.
7. This planet will reset from within not without, and once again be in harmony with the universe.
